

Dear All,

5thIBF TRAINING COURSE ON BUFFALO MANAGEMENT AND INDUSTRY organized by the International Buffalo Federation and CREA - Animal production and Aquaculture of Monterotondo (Rome) will take place in Italy on **9-19 May 2023**.

The course will give the participants a general overview of the main Italian industrial, commercial, and research entities. The topics addressed will concern:

genetic selection and improvement with new molecular approaches, reproductive biotechnologies, management, health and animal welfare aspects, quality of products (milk and meat) and their industrial transformation, sustainability.

The course will be in English and you have a draft program below

A maximum of 35 places are available, and a preference will be given according to the registration order.

The final program will be published soon on the International buffalo Federation website (www.Internationalbuffalofed.org).

The fee is 1550 euros for IBF members, and 1600 euros for non-members and includes accommodation, meals and transportation during the course (from the night of May 8th to May 19th included).

Transfer from/to the airport and during free time is available on request at your expense.

A pre-registration (500 euros) will be due before January 31st.

Hoping to meet you in Italy
